

Welcome to Kindergarten

Dear kindergarten parents,

Very soon your little ones will be starting a new adventure in Kindergarten at Howick School! We know this can be an exciting, scary and nerve-wracking time all at once, so in hopes to alleviate some of that stress, here is some information about our kindergarten progressive entry this school year;

- On **August 29th**, all students that attended Howick school in pre-k will be invited to join the rest of the school as of 2:00 pm to bring your child's things into the classroom, sign up for Breakfast program, hot lunch, etc.
- **On the same day**, students that have not attended Howick will come in for interviews with Mme Geneviève and Miss Jade according to the following schedule.

8:30: Sillas

9:00 Lily

9 :30 Cassandra

10:00 Logan

10 :30 Michelle

11 :00 Scarlett

- On **August 30th and August 31st**, classes will alternate. Group A will come in on August 30th and stay home on the 31st, while Group B will stay home on August 30th and come in August 31st. This way, the whole group will spend the day with both teachers to get to know their routine and each other and for the teachers to get to know them individually.
